

Ceramic Coated Sand

Justice Products
Great finishes start here.

Quality. Affordability. Possibilities.

With durability, consistency, and beauty, our Ceramic Coated Sands provide vibrant hues for any project.

 At Justice Products, quality is paramount. Our coated sands are produced using specialized equipment and the highest quality pigments. This leads to a sharper color and a more consistent product.

 Whether you need Bulk Bag or 50 lb. Bag quantities, we offer a competitive pricing program.

 Coated Sands are ideal for pool, decorative concrete and industrial applications.
